freedom
they handed it to me
on a fourteen carat solid gold hanger
and it was such a beautiful robe
that i put it on right away
the fit was perfect
and i grew to love it more every day
i went home to visit
and they made me hang it
hidden in the closet
hoping that id forget that it was mine
but i couldn't wait
to have it wrapped around me once more
i don't ever want to take it off again
someday soon
i'll wear the pants and shoes
that go so well with the robe
and that will be the outfit
in which i'll face the world

THE MEMORIES WILL ENDURE . . .

RICK DREHER

The memories will last forever

Sometimes it helps,
When things go wrong and
you feel terrible, let down,
to remember that life is
something like a well,
it has it's ups and downs.
For each bucket that goes down empty,
another comes up briming with pure
refreshment — maybe you feel like that
empty bucket today, descending into
the dark, buy soon; it may be tomorrow,
a hand will draw you back up to the
sparkling sunshine, to turn your
burden into a blessing.
